A Viking is born. With a vigorous love for life he lives his heritage ---a heritage of strength and courage. Pride, a spirit of fair play and an unyielding desire for adventure are the basis of his being.

We, the Puyallup High School Vikings of nineteen-hundred seventy, have followed in the footsteps of this heroic Norseman. Unafraid, we have stepped forward to accept the many new challenges that confront us. In doing so we have not only gained many experiences, but we have begun to discover life itself. There are many unconquered seas left for us to sail upon, but the thrill of discovery has begun by the search for our places in this world.

Our year's journey was full of excitement and danger, but no obstacle was too great to overcome because we have inherited the traits of a Viking.

DEDICATION

We the student body and faculty of Puyallup High School, in gratitude for his thirty years of outstanding service to the school and community, dedicate the 1970 VIKING to the memory of Mr. Carl Sparks. Mr. Sparks passed away on November 25, 1969.

Mr. Sparks' career at Puyallup was a varied one. He taught wood shop and mechanical drawing in addition to his eighteen years as head football coach and eleven years as basketball coach. In 1956 he was appointed the first athletic director of the Puyallup public schools, a position which he had held for the past thirteen years.

As head football coach Mr. Sparks compiled a very impressive record of ninety-five wins, thirty-one losses, and twelve ties, while capturing five championships. During eleven years of basketball coaching he captured two championships.

Mr. Sparks graduated from Onalaska High School in 1928 and Washington State University in 1932. He returned to Onalaska after college and coached for seven years there before coming to Puyallup. His football teams were undefeated in his last five years at Onalaska.

Mr. Sparks spent his entire life guiding and encouraging the athletes under him to achieve high standards of excellence. This guidance helped shape the lives of many future coaches, and, through them, many more students. He also worked hard to provide adequate facilities for all young people. In recognition of his dedication to these goals, the school board this year renamed the athletic field Carl Sparks Stadium in his honor.

The ability of Carl Sparks to inspire, and his competitive spirit, have instilled a winning tradition in the Puyallup sports program that will never be forgotten. As former PHS football coach Bob Ryan said, "The scoreboard is turned off, the clock has stopped, but Mr. Sparks . . . the game will go on," with the competitive spirit and winning tradition that you have made so much a part of PHS.

Presiding over the Board of Control of 1969-70 was ASB Vice-President, Ernie Zeiger. Students in each home room chose representatives to inform them of campus activities.

This year's BOC began operation with the handling of the season ticket drive. A successful magazine sale brought money to each class treasury, and the United Good Neighbor fund drive brought money for the needy.

Highlighting the group's activities this year were the planning of Homecoming Week in December and the Sadie Hawkins Dance in the spring.

Numerous other achievements have been credited to this year's BOC. Due to the intense planning and involvement in school activities, they, and the entire student body, can reflect upon 1969-70 with pride.

Swiss intellect transfers to PHS

Hannes Wiher came from Switzerland to be one of PHS's two foreign exchange students this year. He lived with the Art Larson family, Curt Larson being his American brother. Hannes expressed appreciation for his year in the United States.

Hannes claimed, "When I was in Switzerland, I knew that the United States was a rich country. Now I have learned that it is also a very beautiful country and the Americans are very nice people. I have felt at home. The longer I stayed, the more excited I got about my year here in Puyallup. It is such a great experience to visit another country, live with another family, and have a brother of the same age.

"I liked the clubs and the wrestling turnouts after school very much. They gave me the possibility to be with students not only in school, but also outside of it.

"Due to your friendliness, my picture of America has become even more complete than the one I have of Switzerland. I have experienced things I have never dreamed of before. I want to thank you for giving me the most beautiful year of my life."

Hannes Wiher and his American brother, Curt Larson, discuss an assignment.

Warm Brazilian radiates friendship

Coming from Brazil, foreign student Suzana Grein lived with the Sanford Shaub family, Sandy Shaub being her American sister. Suzana declared that her year was great.

She explained, "To come to the United States was one of my biggest wishes. I can truthfully say that this year has been a happy one. I like to meet new people and see the way they live. Here, everyone is so friendly that it makes life very enjoyable.

"I think that one of the greatest things you have in the United States is the unlimited opportunities. In Brazil we have no chance to participate in sports or choose our classes.

"This year for the first time I watched a football game. It is a fun sport, but a little hard to understand.

"The one thing I enjoyed most was the snow. I had never seen any snow before in my life, and I was really looking forward to it.

"I thank you all for a year I will never forget."

"The faculty and the administration have been impressed with the students in Puyallup High School this year. From the opening day of school they have shown an unprecedented enthusiasm for entering into things and getting the job done. Combined with fine leadership, this produced an outstanding year for all our activities and for everyone involved.

"The addition of an excellent, two-teaching station auto shop building to our campus continued the growth and development of the vocational opportunities for our students.

"The senior class of six hundred and fifty will probably be the largest ever to graduate from our high school. The quality of the seniors is high, and we will miss their pep and enthusiasm. Good luck and best wishes to all of you."

DON HARTUNG
Principal

"The successes and failures of life rest largely with one making the correct decisions when choices are placed before him. Today, more than ever, life confronts one with a broad spectrum of both negative and positive choices. The decisions an individual makes are governed by the values he has adopted to guide him in seeking his goals. Establishing these values and goals rests with the person capitalizing positively on the knowledge he has gained through social, spiritual and academic experiences. Understanding this knowledge, interpreting it correctly and applying it properly, are the essentials to a successful future.

"I believe you have been given the opportunity to make constructive decisions through your exposure to life in this school and community. Exploit this experience fully and apply its gift in facing the myriad of life's challenges. Let the thought that mankind needs models as well as critics be your guide."

Class of '70 had spirit and strength that never failed!

As sophomores, the class of '70 entered PHS with excitement, enthusiasm and great expectations. They conquered their sophomore fright by placing second in the season ticket drive. Their spirit rang out at the pep assemblies as the class that was to become the largest one ever to graduate from PHS filled the "pit."

As juniors leading the seniors and sophomores in the magazine drive, they left no doubt as to who had the most spirit. Along with end-of-school joy, the spring brought the juniors a "Time for Living," the theme of the Junior Prom.

Finally, the class of '70 attained senior status. Filling the bleachers in the new gym, they showed their Viking strength and placed first in the season ticket drive. The profit they made helped support the Mike Phipps Memorial. As the seniors received their diplomas, they remembered the Senior Ball at the Crystal Ballroom, the awards assembly and the happy tears that fell at the Senior Assemby. "The Class of Pep and Go" can look back on many experiences that were vital in proving they had the spirit and strength that never failed.

The junior and sophomore

Classes

learn Viking tradition with pride

We're the class that rules the rest, '71 is the best!

Enthusiastic about the present, concerned about the future, and willing to break old traditions—these attributes describe the class of '71. The loss of the season ticket and magazine drives encouraged the class to win the annual Powder Puff game, breaking an old tradition. Another tradition was broken when the juniors decided not to hold a Junior Prom.

As officers the class of '71 chose Matt Bellmer as president; Mike Schick, vice-president; Trudy Swanson, secretary; and Sandi Braafladt, yell leader. Working with the officers to plan a trip to the Seattle Repertory Theater to see Ben Johnson's "Volpone" were advisers Mr. George Baker, Mr. Jerry DeLaurenti, Mr. Andy Helling, Mrs. Bobbie Matt, Mr. Joe Radek, Mr. Al Reinhart, and Mrs. Barbara Whittaker.

With only one year remaining at PHS, the juniors are looking forward to their senior year with hopes that it will be the best year ever.

Success and victory, that's our cue, 1-9-7-2!

Sophs have yell first day of school

For the first time in the history of Puyallup High School, the sophomore class was successful in having a class yell prepared for the first day of school. A true unity and a great deal of enthusiasm marked the achievements of the class of '72 as they were victorious in placing first in the magazine drive and second in the season ticket drive.

Officers elected in the fall were: J. R. Takemura, president; Steve Ridgway, vice-president; Cindy Stemp, secretary; and Janell Shuck, yell leader. The officers worked with the class advisers Mr. Bill Anderson, Miss Maxine Carr, Mr. Bob Dunkle, Mr. John Durr, Mr. Sterling Harshman, Mr. Al Jacobs, and Mrs. DeAnn Sack on such activities as the sophomore hop, "Soul Experience."

Leaving many wonderful memories behind, the sophomores are looking forward to what the future holds for them.

Pep Club promotes spirit

Girls' Pep Club successfully fulfilled their purpose of promoting school spirit and enthusiasm by devoting time and energy to making locker and lawn signs and signs for the old gym, decorating locker rooms, making signs for the wrestling tournament, and participating in pep assemblies.

To finance their activities, including a banquet at the end of the year, the eighty members sponsored pep buses, a bottle drive, bake sales, and a sale of Viking pillows. They also toured Hill Funeral Home.

A new system to honor hardworking members was started during the year. By this system, one member a month had her picture and a story about her work in the VIKING VANGUARD.

"The Silent Ones" formed by Drama Club

The idea behind the organization of Drama Club was to encourage participation in drama. Under the direction of its officers, Peter Stahl, president; Marc Holm, vice-president; Leslie Millican, secretary; and David Hansen, sergeant-at-arms; the club proved to have a prosperous '69-'70 season.

The club organized "The Silent Ones," an acting group which performed different scenes set to musical background. The group met two nights a week learning how to portray different emotions without the use of dialogue. Giving their first performance at Curtis High School, "The Silent Ones" were well received by the teachers conference held there. They also performed at the Girls' Club Father-Daughter Banquet and at the school hootenanny.

After Christmas, the club attended a drama conference in Auburn. "The Silent Ones" performed with separate acts by Cindi Butler, Marc Holm and Jack Nannery. "The Silent Ones" received the best rating of the conference.

Art Club visits Puyallup Fair

Art Club started the year with a field trip to the art exhibit at the Puyallup Fair. The club also took field trips to the Tacoma exhibition of art and was invited to participate in a Seattle art tour.

The club consisted of thirty members interested in developing an active and creative art program outside the school. To achieve their goal, they sold self-designed Christmas cards, sponsored the Val-O-Gram sale, and took part in the high school art sale.

This year's officers were Mike Bowerman, president; Eric Chandler, vice-president; and Brenda Jackson, secretary. Mr. Dan Vesey served as adviser for the club.

"This year Art Club has been more active than in recent years; therefore, the club's projects have been more successful," commented Mike Bowerman.

The Puyallup High School Symphony Orchestra, directed by Mr. Robert McNamara, had a busy and successful year. Although the group was smaller due to the loss of some fine students to the new Rogers High School, the members of the group worked diligently to produce another outstanding musical ensemble.

In November they participated in the Winter Concert. This was followed by the Christmas Concert in December, the popular Swing Concert in January, and the Spring Concert in May.

In March the orchestra performed at the Tacoma Community College for the Puget Sound League Orchestra Contest, and were awarded a Superior rating. This was the ninth

consecutive year this group has received this top rating.

The orchestra was honored by receiving an invitation to perform at the Eastern Washington State College in Cheney in April. On this tour they also performed at public schools in the area.

Several orchestra students performed in small ensembles for contests and for community organizations during the year. All of these groups received Superior or Excellent ratings in their competitions.

Two outstanding violinists, Mary Knesal and Teresa Roche, were chosen to represent PHS in the highly selective All-State Orchestra that performed in Yakima at the Music Convention in March.

Orchestra officers for the year were Jennie Nichols, president; Donna Crum, secretary; Beth Reece, historian; Eric Hanich, Teresa Roche, and Karen Koehler, librarians. Class representatives were Chuck Hoyt, Linda Moody, and Sally Ericksen.

The success of the group was due to the fine cooperation given by all members of the string section and the leadership of the officers. Special appreciation goes to the brass, woodwind and percussion players who joined the strings for weekly evening rehearsals, making it possible to provide our school and community with a full symphonic group.

Band travels to Abbotsford

Under the direction of Mr. Richard Graham, the concert and chamber bands once again had a very successful year. The 48-piece chamber band and the 66-piece concert band presented five concerts and gave several performances for the area junior highs.

The two bands, directed by drum major Chuck Whitman, marched for all of the home football games and provided the halftime music during the basketball season with Rich Vorak and Moe Jaquish alternating as directors. In April the band marched through Tacoma, Puyallup, and Sumner in the Puyallup Valley Daffodil Parade.

The highlight of the year was the band trip to Abbotsford, Canada. The band department was also proud to have two of its members, Elaine Moorhead and Myrna Knesal, selected for the All-State Band.

Band officers for the year were Dick Dary, president of chamber band, and Sandy Shaub secretary of chamber band. Concert band president was Dave Peach, and Karla Repp served as secretary for that group. Kelly Boyle served the band as manager.

Vikings place third in SPSL

The 1969 Puyallup Vikings started their season with two big wins over Federal Way and Lakes. Leading the Viks were Dan Looker, Doug Picha, and all-state guard Mike Safford. All three made the South Puget Sound all-league as they pushed the team to a 7-1-1 season. The Norsemen lost their only game to the league's co-champions, the Cardinals, who edged the Viks 7-6. The Vikings took an early lead but lost it in the third quarter.

Thinking of revenge, the Viks slaughtered their home-town rivals 32-0. The Rogers Rams could only move the ball to the Vikings' 25-yard line. For the Vikings it was the start of a tradition that will be the high-light of every season of football to come.

The rest of the games were down hill for the Viks. Only Jefferson was able to slow the mighty Vikings down by tieing them 0-0 despite a final 35-yard field-goal attempt in the closing seconds of the game. The Viks went on to beat the Auburn Trojans in the final game, 14-8, to end a very successful season.

Beating Rogers easily and stunning Franklin Pierce 49-7, the Baby Viks had first place in their hands until they tied with Federal Way and Lakes and dropped to second place where they ended the season.

In their victory over Franklin Pierce the team showed the offensive strength they had all year by scoring five touchdowns in the first period.

Puyallup runners consistently came out on top with seniors Ernie Zeiger and Reg Nix and returning juniors Gene Clarke, Rich Squires, and Bryce Nordstrom.

On November 4, the cross-country team traveled to Waughop Lake near Clover Park for the SPSL sub-district meet. A fine effort by Gene Clarke led the Vikings to a third place finish behind strong opponents from Clover Park and Franklin Pierce.

Puyallup's Varsity Golf squad posted a 5-11 win-loss record to tie for fifth place with Federal Way in SPSL standings. Junior Steve Milligan led the team with a game team point average of 13.6. The squad was young this year and with six out of the seven team members returning Coach Kempton has high hopes set for the coming season.

Myrna Knesal led the doubles scoring with a perfect 8-0 season. Mary Jo Knesal, winning her first match with Lakes, was defeated in the second meeting, ending the season with a 7-1 record. Both top scorers were juniors under Coach Esau.

Karen Payne headed the doubles squad to a 7-1 finish. The reserve squad turned in a strong 6-1 record, losing only to Clover Park.

Swimmers show promise

"Girls' swimming is a real asset to the sports program at Puyallup," Coach Hartley stated. The newly formed Puyallup Girls' Swimming Team took fourth in SPSL swimming action and placed an impressive third in a relay meet against Federal Way, Clover Park, Lakes, and Rogers. Putting forth a lot of team effort and enthusiasm, twenty-five girls turned out and stuck with the vigorous program. Led by free-stylist Sharon Koehler and diver Paula Chapman, the team as a whole placed ninth in state. This was the first year of competitive swimming for most of the team; the twenty-one girls returning for the coming season prove the continuing popularity of girls' sports.

Basketball tradition at PHS was greatly enriched with an outstanding record of 18 wins and 2 losses. The Vikings rolled over many of their opponents by double numbers, the greatest being 47 points against the Rogers Rams.

The Vikings opened their season by overwhelming Renton 69-45. They continued to win as the opponents' offense couldn't penetrate the strong Viking defense. In the Jefferson game, guard Dick Dary established a new PHS single game scoring record as he pumped in 36 points. In the following weeks the Vikings continued their domination by defeating Washington 92 to 63. Again a school record was set as 92 became the greatest number of team points scored.

Riding the crest of a thirteen-game winning streak, the Vikings played a decisive game with the Auburn Trojans. In the packed Auburn gym, the Vikings suffered their first defeat of the season by narrowly losing 57 to 61. But the strong defensive team fought back to win the rest of its games and the SPSL championship. Traveling to the UPS Fieldhouse for the Region III Tournament against Aberdeen, the Vikings went down to defeat, putting Puyallup out of the tournament. The next night in the consolation game, Puyallup edged Mercer Island 63 to 60 to close the 1969-1970 season.

Jim Streleski and Steve Jess headed a strong pitching staff for the Viks. Streleski pitched the first no-hitter of the season against cross-town rivals Rogers Rams in a 5-0 ball game to give the Viks their second victory in a row. Cindermen run hard in SPSL action

When the Annual went to press, the Cindermen had a season record of two wins and two losses for the 1970 season. The Vikings first meet of the season was with the Stadium Tigers. The strong Stadium team handed the Viks their first loss of the season.

Traveling to Lakes for their second meet, the Viks posted a 73 to 63 win over the Lancers. It was seniors Mark Norris who took first in the Low and High Hurdles, and Jerry Norman who also took first in the long and high jump.

On April 7 the Vikings faced their first home track meet of the season with Franklin Pierce. The Cardinals defeated the Vikings 81 to 55. In the following meet with Jefferson, the Vikings crushed the Raiders 95 to 41. Winning heavily in the running events were Nix, Thetford and Smith in the 880. Gene Clake placed first in the mile, with Doug Fasy winning the 2 mile.

The coaches and the team much appreciated the efforts of the statisticians. They were seniors Jean Turney, Becky Redford and Janine Brown; juniors Paula Stanaway and Shauna Neeley; and sophomores Deborah Lefor and Pat Squier.

Seniors present 'A Time For Us'

April 4 was a night to remember for the class of 1970 as "A Time For Us" was carried out as the theme for this year's senior ball.

The seniors' last school dance took place on a rainy evening at the Winthrop Hotel's Crystal Ballroom. As couples danced to the contemporary music of the Friel Trio, the hours flew past like minutes and soon the enchanting evening was a memory.

General chairman Jerry Norman and co-chairman Janet Brantley, with the assistance of the following chairmen, led a successful senior ball: decorations, Julie Brown; music, Lori Kissick; publicity, Janine Brown; refreshments, Colleen Convis; programs, Chris Connell; and clean up, Marc Holm.

Hootenanny begins homecoming week

PICTURED ABOVE: Doug Picha, Linda Moody.

A hootenanny began homecoming festivities for the year. Jose Gaitan, ASB president of Lincoln High School in Seattle, was the master of ceremonies. Following singing by Mr. Carney and Mr. DeLaurenti, the homecoming royalty was announced.

Homecoming royalty included Linda Moody, queen; Doug Picha, king; Diane Jones, senior princess; Jerry Norman, senior prince; Nancy Moody, junior princess; Rick Peterson, junior prince; Sue Wakefield, sophomore princess; and Steve Ridgway, sophomore prince.

A tug-of-war, Merry Christmas day, beat Auburn day, home room decoration competition, and the alumni assembly were other activities included in homecoming week.

Completing the busy week was the Snow Ball, held at East Junior High. "The Vendetta," formerly "Blood, Todd, and Brain," provided music for the semi-formal dance.

Homecoming chairmen were Colleen Convis and Rosemary Simons.

Lori Kissick is princess in 37th annual Daffodil Festival

Puyallup band marches down Stadium Way.

Gliding under the blue skies of a warm April morning, the floats of the 37th annual Daffodil Parade highlighted "The Greatest Show on Earth." The 29 floats were brightly decorated using this circus theme.

Most striking of all was Lori Kissick, Puyallup's Daffodil Princess. Chosen over a field of 10 beautiful candidates, Princess Lori was outshone only by the bright sun of that April morning.

Sadie Hawkins causes bachelor panic

The PHS Sadie Hawkins dance was held Saturday, March 7, from 8:30 to 11:30. Music was provided by the King Bisquit.

Mr. Larry Carney walked away with the live duck award, as the seniors had the largest attendance at the dance.

As the dance approached, the school's bachelors sought suitable hiding places, but the effort was in vain. The boys were dragged to the dance floor where all resistance ceased.

Colleen Convis and Cathy Pettit were the chairmen. The other committee heads included: tickets, Deb Hermann; decorations, Nancy Moody; maintenance, Bill Chaplin and Mike Wittenberg; refreshments, Cheryl Cranston and Sharon Kinard; publicity, Lori Kissick and Jeanette Hopland; and royalty, Joette Jordan. The clean-up committee consisted of the Student Government class.

The class coaches also should be recognized for their great help in preparing the girls for the game. Seniors included Laverne Rainey, Bill Yahn and Mark Wilson. Juniors were Owen Shacket, Dave Crouch, and Jerry Jacobson. Steve Van Wart, Henry Raymer, Greg Heath, Bob Heslop, and Mike Rogers led the sophomores.

'Inherit the Wind' chosen as fall play

"Inherit the Wind," a play by Jerome Lawrence and Robert E. Lee, was presented November 14 and 15 at the PHS auditorium. Directed by John Cunningham who was assisted by Donna Donahue, the play proved to be a great success.

Based on the famous Scopes trial of the early 1920's, the play dealt with man's right to think for himself. The play unwound in a conflict between church and state with the nation's two top lawyers battling against each other.
